MARION COUNTY R.A.C.E.S. RADIO NET
NET CONTROL OPERATOR GUIDELINES
FIRST SUNDAY OF EVERY MONTH, 7PM, 147.210 REPEATER

OPENING

This is (*your callsign*) activating the MARION COUNTY R.A.C.E.S. RADIO NET **– *LET REPEATER DROP –***

CQ NET…CQ NET. This is (*your callsign*), Net Control for the Marion County R.A.C.ES. Radio Net.

This NET is being activated as a test of Marion County's ability to disseminate information to the local ham radio community. This net is open to all licensed ham radio operators and is a directed net.

I will now stand-by for the check-in of an auxiliary net control station. Please call (*your callsign*).

(*Aux. NCS callsign*) is our auxiliary net control for this session. Should my station fail, (*Aux. NCS callsign*) will take over the net.

CHECK-INS

I will now call the roll using the Marion County R.A.C.E.S. roster. When checking in, please indicate whether you have traffic or not and what your general location is. After the rostered roll call, I will call for OPEN CHECK-INS.

KC9VLV (Alex), N1HQH (Ken), N9FEB (Mike), KB9NZY (Rick), N9ALD (Aaron), N9BOO (Bruce), WB9BW (Bruce), NN7C (Jeff), K9CFE (Brent), W9DLK (Dan), KC9DRY (Bob), KC9KCM (Jake), KC9KUS (Bruce), KC9KZH (Elaine), N9NIC (Jeff), KC9UDG (Tom).

I will now call for OPEN Check-ins. You do not need to be a member of any group or organization to check in to this net.

(*Acknowledge all who checked in and ask them if they have anything to say for the good of ham radio*)

Thank you all for checking into the Marion County R.A.C.E.S. Net.

(Call on stations that listed traffic, in order, for them to make their announcements.)

CLOSING

I want to thanks all stations for checking in and participating in the Marion County R.A.C.E.S. Radio Net. I would also like to thank (*aux.NCS callsign*) for standing by as our auxiliary net control station.

To become a member of Marion County R.A.C.E.S., all that is required is filling out the membership application, providing a copy of your ham radio license, complete NIMS Courses IS-100, -200, 700, and -800. Send these to KC9VLV, N1HQH, or N9FEB.

This is (*your callsign*) closing the net at __:__ Local Time and releasing the frequency for general amateur radio use at this time.

*** PLEASE EMAIL A COPY OF THE CHECKINS TO KC9VLV, N1HQH, & N9FEB ****
